

List of in – House & Digital Training Programs

Training Program	Days	Duration hrs.
Renewable Energy		
Renewable Energy Management Program	5	20
Solar Photovoltaic PV Qualification Program	5	20
Solar Model Software PV Installation & Design Program	5	20
Solar Thermal Water Heating Program	5	20
Wind Power Energy Program	5	20
Economic Aspect for Renewable Energy projects	5	20
Green Buildings		

LEED G.A. Certification - Green Building Standard	5	20
LEED A.P. Certification – Green Building Standard	5	20
Future Cities	5	20
Green Building Standards Program	5	20
Smart Cities	5	20

Energy Efficiency

Energy Auditing Program	5	20
Energy Modeling Program	5	20
Energy Efficiency & Management	5	20
Energy Auditing in Practice Program	5	20
Building Management System Program	5	20

Water & Wastewater

Advanced Water Treatment Program	5	20
Wastewater Treatment Program	5	20
Treatment plant - Operation & Maintenance Program	5	20
Advanced Wastewater Treatment	5	20
Waste Management		
Solid Waste Management & Strategy	5	20
Zero Waste Living	5	20
Hazardous Waste Management Plan	5	20
E-Waste Challenge & Management	5	20
Sanitary Landfill Design, Operate & Maintain	5	20
Environment & Sustainability		
Environmental Sustainability Program	5	20

Environmental Impact Assessment Program	5	20
Environmental Inspection & Measurements Program	5	20
Environmental Regulations & Polices Program	5	20
Sustainable Cities Program	5	20

Air Controlling

Climate Change & Global Warming	5	20
Air Quality Management & Strategy	5	20
Carbon Emission Reduction Management	5	20
Air Pollution Controlling & Monitoring	5	20
Air Pollution – a Global Threat to our Health	5	20

Oil & Gas

Process Energy Efficiency Improvement for Industrial Plants Program	5	20
Towards Green Transition Program	5	20
Power Generation Development & Strategy	5	20
Environmental Sustainability and Responsible Business Conduct in the Oil & Gas Industry	5	20
Business Sustainability Management	5	20

Structure: Live theoretical & practical virtual classroom.

Qualification Level: No pre-requisites.

If you have any specific course or training needs which are not listed in the schedule, please contact training relations via WhatsApp for more details on (+965) 67 68 6777

Kindly note that course timings are subject to change based on the request of the group of trainees.

D: (+965) 2495 6093

M: (+965) 6768 6777
